

commerce of god

the rammer
the fall
the voltage
our genetic code
our technician.

the function
the knowledge
the development
the awakening
human being of the universe.

history
justice
love
god
the method
the concepts
the human alcohol.

the animal
the uniforms
the fact
the substance.

the good ones
the false people
the ventilator
the safe rotation predetermined by the universe.

a fish
a whale
the surface
the circuit
the number.

the good people
the pure
the unspiritual instruction.

the zombie
the jesus
the birth of the papa of the sky
our new age of the inoperative man.

the enormous game
the audio one
the marks of the attraction.

the truth
the servant
the attention with perspective
the instrument of the development
the eyes of the humanity.

the commerce of god
the god of the mind
god is the alcohol
the scare of the age.
