

## **recurrences 1 2 & 3**

every so often  
for whatever reason  
I am broken to pieces  
and have to reassemble myself again.

every so often  
for whatever reason  
I am driven to sleep  
and have to reawaken myself again.

every so often  
for whatever reason  
I am caught in a trap  
and have to free myself again.
